Mrs. Werden

Hello and Welcome to Art! I'm excited to begin my 14th year teaching! I have a Master Fine Arts from University of Florida and a Bachelor of Fine Arts from University of North Texas. When I'm not in the classroom I spend my time doing yoga, reading, gardening, crocheting, hiking and scuba diving. I'm Mom to two amazing kiddos, 1 dog, 2 cats and 4 chickens.

Grades

While we were all figuring out our various learning platforms, I have not implemented the district late work policy. This Friday is the last day I will accept any of the assignments with due dates between 8/24 and 9/12. I am updating grades as quickly as I can but please understand that late work may not be updated the same day you submit it.

Beginning Monday, Sept 21 any work that is submitted late will have the following conditions:

- 10 point reduction each day an assignment is late.
- After 3 days, the assignment will be marked as a zero and cannot be made up.

Attendance

Please do your attendance assignment before 2PM!

I am required to submit attendance before I leave each day. If you submit your assignment by 2PM, you are counted present. If you submit your assignment between 2PM and 11:59PM you are marked absent BUT when I get to work the next day I correct the record to present. If you submit the assignment after 11:59PM you are marked absent and I cannot change that. Submitting your assignment before 2PM will prevent you from getting confusing emails from the attendance office, avoids attendance errors and helps me out a lot.
